

Raising a Non-Toxic Family Seminar

Come join us and learn about:

- The importance of avoiding harmful chemicals in your products
- What chemicals to be aware of in the products you use
- decreasing your family's toxic burden
- going easy on the earth
- an alternative product line
- how these products effect your family's health

*Bring your products from home
and become your own ingredient
detective! Shop the safest full line
of products in the country!*

**up to 30% of sales will be donated to
the Friends of the Taft Library Relocation Fund**

Hosted by: Friends of Taft Public Library
At Mendon Senior Center

Thursday May 28th @7pm

Presented by: Jessica Palumbo –
Executive Independent Consultant for Ava Anderson Non Toxic
