156	Talk with his carpeting contact to understand what options are available for carpeting that could be used in the lower level where moisture could be a concern. He will also introduce his contact to Mary so they can discuss carpeting options for the project. Mary will take carpeting samples that Paul brought to the meeting with her and will work with David and Paul Puciata to discuss what to select.	12/16/2014	Paul / Mary	1/5/2015	Processing	4/14/2015: Paul will engage with the carpeting provider in the summer months to select materials and begin to put plans in place early so everthing is ready to go in the fall, which is when the Committee anticipates the building will be ready for the donated flooring. 8/6/2015: Mary and Paul will meet with David on August 27th at 11am to discuss plans for engaging the donor of carpeting materials and labor. 9/1/2015: The meeting will be pushed to later in September. 12/7/2015: Paul has been in contact with David and the carpeting does not have a long lead time so it will be pursued after the first of the new year. 2/11/16: Paul suggested getting the carpet supplier (Shaw) and the installer (Pavillon Flooring) together with David and Mary the first week of March to pick out the carpeting for the new building. 4/11/2016: Flooring installation company will be visiting the site on April 12th to comprehend the scope of the flooring installation work.		
209	Look into potential MLS grants, Tech Soup, Edge and local consortium members for computers	9/22/2015	Andrew	12/7/2015	Processing	12/7/2015: MLS grants only cover software, but Andrew will follow up with his contacts at the state level to determine what is the recommended best way to pursue technology hardware purchases. 2/11/2016: Don mentioned that computers will be available from the Regional School District at the end of the school year. Don will work with Andrew to configure them with the proper software from Tech Soup. Lawney Tinio offered to assist. 3/14/2016: Don stated that he requested 10 PC's from the Regional School District. The Committee asked Don if he could request 12-16 PC's in case more are needed. 4/11/2016: Don has been in contact with Jay Byer and he has requested that the Regional School District put aside 20 PC's for the Town. The Parks Department wants four of them and no other department has requested any so the library should be able to get as many as it needs.		
210	Check with David to ensure that the cut sheets for the HVAC system have been approved and are ready for release to Bill McHenry so he can share them with DOER as part of the Green Communities Grant reimbursement process.	9/22/2015	Mary	12/7/2015	Processing	2/11/2016: Bill McHenry attended the Feb 11th meeting and is working to wrap up the Green Communities Grant by early March. Don will supply Bill with the necessary HVAC cost information from GTC for Bill to share with DOER. Mary will try to get a BOM listing for Bill as well. 3/14/2016: Bill McHenry explained that the deadline has been extended so he will work with Mary to request the funding once the HVAC installation is complete.

2	Title V Inspection	1/16/2013	Susan / Kevin			Title V Inspection was not performed. Item was removed from P&S Agreement by Town Counsel. As built drawings for septic system are on file in Board of Health office at Town Hall. The system was built in 2009, so expectations are that it is in good condition.	1/30/2013	1/30: Need to understand if change from church to library alters the requirements of the septic system. Will generate a new action in the log for this.
3 4	Review Mass Building Code requirements to understand impact of going from a church (A4) to a library (A3). Get someone to clear snow from walk and steps at St. Michael's Church.	1/16/2013	Moritz Kevin	2/27/2013 1/30/2013	Closed Closed	6/6: Moritz has gathered information regarding what we believe is needed to bring the new library building into compliance with Mass Building Code. The information will be kept for future review after the architect is brought on board. 2/20/14: Abacus informed the Committee that the church was the same code as the library (A3), so this is no longer a concern. Tim Hoar will clear snow if accumulation is more than 3 inches. Boy Scout will clear snow if less than 3 inches.	2/20/2014	2/27: Moritz reported that he is still investigating this and will bring a comprehensive update to the March 13 meeting. 3/20: Moritz provided an update on the need for a sprinkler system and a 2000 gallon septic system. Moritz will try to get copies of the septic system plans and the well water specifications from the Board of Health. 6/26: Kevin Rudden picked up the septic plans and provided them to Don for future reference. 2/13: Kevin will get name of scout responsible to Andrew so he can coordinate.
5	Find out what it will take to get natural gas to the church property.	1/23/2013	Paul / Jay	2/27/2013	Closed	5/23: Paul updated the group that NSTAR has completed the survey and the estimate to bring the gas main/service to the new Mendon library at 29 North Avenue would cost ~\$52K. This information will be kept on record for review after we have the architect on board.	5/23/2013	1/30: Clough was hooked up at no cost to the town. Paul spoke with Marjorie McDonald from NStar and she is evaluating what it will take now. 2/13 update: M. McDonald called Paul earlier today and left a msg. Paul will return the call. 2/27: Paul brought non-binding applications to inquire about cost for a main line and a hookup to the new library. Joe/Don will take these to the BOS for review. 3/20: Don and Joe took the request to the BOS for signature and Joe forwarded the signed forms to NStar. Now awaiting a response. 3/27: Still awaiting a response from NStar.

(Don) 5/13: What does the town pay for	one noquested	- Ferault	rtoquico	Guids	3/27: Mike Ammendolia informed the committee that we can hook directly to Mendon Dispatch. Paul contacted Lawney Tinio to make this happen, and has since met with Custom Alarm. Stil have many questions to answer. 5/23: Paul updated the group that he had been in contact with the Mendon Fire Deparment and Custom Alarms and that it would cost ~\$400/year to add monitoring to the existing alarm system. The group will not act on this at this time. Joe was in contact with the insurance company and while it is better to have the monitoring in place, having the alarm sound with no monitoring is bettet than nothing. 5/30: Don updated the group that he got in touch with Jay Byer and the cost for the schools to monitor their buildings is \$650/year each. Jay also informed Don that the two schools in Upton are connected directly to Upton Dispatch, so no monitoring fee is required. He said that Mendon	Survivo	2/13: Fire Alarm works fine but it requires the dialer to go to a third party monitoring company. Paul will check to see what it would take to make this a direct line to the Mendon Dispatch Center. 2/27: Group agreed to take this issue to the BOS to see if a direct connection to Mendon Dispatch is possible. 3/20: Don and Joe asked the BOS if they could find out if the new library could tie directly into Mendon Dispatch. The committee is awaiting an answer. 4/10: Paul has been in contact with Lawney Tinio and Lawney believes that the fire alarm system in the former rectory can be added to the existing service currently used for the Town Hall. Paul will set up an appointment to get the system set up and tested during the next week. 5/13: Paul met with Custom Alarms and is working out a possible solution. Many questions need to be answered, can the panel be reprogrammed? Do we need a second phone line? What type of

Essentially it is something that the Selectmen have to keep updated annually. The Building Committee does not have to be concerned with it.
12	Check with Linda Hawkes and Claudia Cataldo to understand requirements and timeline to obtain funding for project. 5/13: Send updated timeline of funding needs to Linda. (Susan)	2/13/2013	Susan		Closed	5/23: Susan sent the updated timeline of funding to Linda Hawkes and Linda will set up a bond schedule making funds available in FY14.	5/23/2013	2/27: Susan stated that we were getting close to gaining access to money, but we needed to forecast how much money we needed to spend and when so we don't borrow too much up front. Joe suggested a payment schedule for the OPM of 25% when we get the architect, 25% after the drawings were received, and 50% during the construction work phase. Dan suggested even less up front, and Joe stated we may just have a flat monthly payment plan over the course of the project. Nothing was agreed yet, but Susan stated that she has enough information for Linda to get the funding started. 5/13: Joe created a timeline for funding needed. Susan will provide this to Linda Hawkes.

18	Obtain copies of the septic system plans and well specifications from the Board of Health.	3/20/2013	Moritz Kevin	4/3/2013		6/26: Kevin provided copies of the septic system plans to the Committee. Don is holding them with other Library Committee documents.	6/26/2013	4/24: Moritz has not had a chance to pick up the plans. Kevin Rudden offered to do this for Moritz. 5/13: Kevin hasn't had a chance to get the documents yet. 5/23: Kevin has the septic plans, but was unable to attend on 5/23 so he'll bring them to the next meeting.
19	Follow up on available shelving at U Mass Dartmouth.	3/20/2013	Andrew Joe	4/3/2013	Closed	3/27: Building Committee agreed to take the shelving for potential future use. Joe contacted Lawney Tinio and he has obtained the shelving. It needs to be moved to the old Fire Station for storage. 5/30: Joe, Moritz and Paul will put some shelving together on June 5th at the future home of the library. It is believed that the shelving is too heavy to have the boy scouts unload it, so the group will discuss what to do after Joe, Moritz and Paul experiment with moving some of the shelving. 6/18: There has been no update as to when the shelving needs to be loaded into the old Fire Station. 7/31: Shelving needs to be removed from the trailers. Paul will work with Moritz to determine if the shelving is useful to the project (see item #34 below). Pending outcome of that action, decision will be made whether to store shelving in the garage behind the old rectory at the project site or recommend that the material be scrapped. 8/14: Moritz was unable to obtain documentation for assembling the shelving, and the Super from the project is no longer at Consigli. Given the current condition of the materials, the Committee will recommend to Lawney Tinio that he try to sell the material to recoup his costs for storage. Don will ask Joe to cotact Lawney about this. 8/21: Don informed the Committee that Joe Cronin has contacted Lawney Tinio to inform him of the Committee's decision not to use the shelving due to its condition. Lawney will take care of the shelving from here.	8/21/2013	4/10: Lawney Tinio has arranged to have the donated shelving stored at the old Fire Station. It will be delivered on Saturday, April 20th. 4/24: U Mass Dartmouth was closed on 4/20, so the shelving will now be delivered on May 4th. 5/13: Shelving was picked up by Tinio Corp. It now needs to be moved from trailers to the old Fire Station for storage. 5/23: Joe suggested that we take some pieces to 29 North Avenue to put them together and understand how much will be needed and where it can be used. Joe will look into getting some pieces over to the church.
20	Send updated OPM RFS document to Legal Counsel for final review/approval.	3/27/2013	Susan	4/3/2013	Closed	4/10: Susan took care of this and the document will get its final review at the 4/10 meeting.	4/3/2013	
21	Contact Diane Willoughby to determine process to advertise for OPM services in the Milford Daily News.	3/27/2013	Don	4/8/2013	Closed	4/10: Don contacted Diane and has the information needed to advertise in the Milford paper. A fee will be charged for this advertisement.	4/8/2013

23	Review OPM Contract received from Town Counsel as well as fire station contract in preparation for discussion at April 10th meeting.	3/27/2013	Full Committee	4/10/2013	Closed	4/10: The OPM Contract will be reviewed by the committee at the 4/10 and 4/24 meetings.	4/10/2013	
24	Create first draft of RFS for Architectural services using town of Granby document as a reference.	3/27/2013	Joe	4/8/2013	Closed	Committee will review the RFS for Architectural Services at a future meeting in preparation of reviewing it with the OPM once we have one on board.	5/13/2013	4/10: Joe needs to do a bit more work to complete the first draft. The Committee will review this at a future meeting. 5/13: Joe completed the first draft of the document. The Committee will review it at a future meeting.
25	Add parking lot lighting and outdoor mounted equipment to future action items list of Decision Action Log	3/27/2013	Don	4/10/2013		4/10: Don added these two items to the Potential Future Action Items tab of the Decision Action Log workbook.	4/10/2013	The second secon
26	Contact Blythe Robinson in Upton to obtain copies of their RFS for an Architect for the Town Hall Renovation project.	4/10/2013	Kevin	4/24/2013	Closed	4/24: Kevin obtained the sample documents from Blythe Robinson and sent them to Don. Don forwarded them to Joe for him to use on the first draft of our architectural services RFS.	4/24/2013	
27	Update OPM Contract by replacing RFQ with RFS and St. Michael's Church with 29 North Avenue throughout the document	4/24/2013	Don	5/13/2013	Closed	5/13: Committee will use the updated contract once the OPM is selected.	5/13/2013	5/13: Don updated the document and distributed it to the Committee for further review and input.
	Invite Rich Schofield to the 5/13 meeting to discuss funding for short term needs.	5/13/2013	Joe	5/23/2013		5/30: Joe invited Rich to the 5/23 and 5/30 meeting but Rich was unable to attend either. This will be revisited in the future.	5/30/2013	5/23: Joe invited Rich but he was unable to attend. Joe will ask Rich to attend the next meeting on 5/30.
	Attend Mendon BOS meeting on 5/21 and bring the following items to them: lawn cutting at 29 North Avenue, insurance on 29 North Ave and requirement for fire alarm monitoring, possible sale and relocation of rectory, and short term payment of bills (e.g. \$110 for ad in Milford Daily News).	5/13/2013	Joe/Susan	5/21/2013		5/23: . Joe and Susan attended the Mendon BOS meeting on 5/21 and the BOS appointed the committee to additional terms to extend through the life of the project, they named Mark Reil as their liaison to the building committee, they will look into getting the lawn cut at the new property and they will look into getting the police to use the rectory as office space in lieu of renting trailers in the center of town.	5/23/2013	v v

33	Send completed score sheets to Don prior to the June 6 meeting.	5/30/2013	Full Committee	6/6/2013	Closed	6/6: Nine of the ten Committee members submitted their score sheets to Don on time.	6/6/2013	
34	Take some shelving from Morrison Drive to the future site of the library to set it up and learn how it fits together, how much space it takes, etc.	5/30/2013	Joe, Moritz, Paul	6/5/2013	Closed	7/31: Paul, Joe and Moritz tried to put the shelving together but there are many pieces, including buckets of bolts and nuts. They were not able to figure out how to assemble the shelves. Moritz will be checking with Consigli and U Mass Dartmouth to try to find someone who knows how to put the shelving together. He will also try to identify the manufacturer to try to get assembly instructions. If we are unable to determine how to assemble the shelving, we will recommend to Selectman Tinio that we are not interested in using the material. The group hopes to decide on this by the next meeting on August 14th. 8/14: Moritz was unable to obtain documentation for assembling the shelving, and the Super from the project is no longer at Consigli. Given the current condition of the materials, the Committee will recommend to Lawney Tlnio that he try to sell the material to recoup his costs for storage.	8/14/2013	6/6: Joe, Paul and Moritz took some pieces to 29 North Avenue on June 5th to put them together and understand how much will be needed and where it can be used. Unfortunately, they didn't have all the right pieces, so they will meet again on June 11th at 6:30pm at Morrison Drive to get more shelving pieces and to do more work. 6/18: The group got rained out on June 11th. They will try again in the future.

56	Contact Tim Watson to find out what type of water testing will be needed at the new site, what the expected cost will be and when it can be performed.	10/8/2013	Mary	10/30/2013	Closed	10/30: Mary contacted Tim Watson and Joe Cronin and they decided to wait until we had the architectural firm on board so we can get their engineers involved. 11/25: Mary spoke with David Eisen of Abacus about getting their engineers involved with this as soon as possible. 12/11: Abacus/Situ will begin to investigate whether the new library needs a public water supply. 19/14: Abacus is working on this with their civil engineer; we should expect an update at our next meeting with Abacus. 2/20/14- Mary has recently spoken with David Eisen of Abacus about getting their engineers involved with this as soon as possible. Abacus/Situ will begin to investigate whether the new library needs a public water supply. 3/11/14: Fred Lapham of Shea Engineering is pursuing this for the Committee. 3/20/14: This item will be revisited once the Public Water Supply topic is resolved. 4/8/14, 4/22/14, 5/6/14, 5/12/14, 5/22/14, 6/2/2014: Nothing new to report. 6/24/2014: Now that we know we won't have a Public Water System, we need to determine if the Town wants to perform water testing. 7/15/14: The Committee received the following from the Water Commission: Once the new library is up and running it would be handled as some of the other public water supplies are in town; for example the town beach, town hall campus, etc. These come under the authority of the selectmen with the water board doing the testing and reporting. The water dept. is then compensated for these from the selectmen's office. We would have to do the same for the library and be reimbursed by the library trustees or whichever board will have the authority over it. We would not be responsible until it is up and ready to run. I recommend that the library committee stay in contact with Tim Watson to make sure things go right. D.E.P. is very strict about public water supplies.	10/13/2013	
57	Drop sign-in sheet from site visit for potential responders to RFQ for Designer Services off at Town Hall.	10/8/2013	Paul	10/21/2013	Closed	10/24: Paul dropped off a copy of the sign-in sheet from the site visit for potential responders to the RFQ for Designer Services to Diane Willoughby at the Town Hall.	10/24/2013	
58	Provide updated drawings to Joe to be scanned and posted to library website.	10/24/2013	Mary	10/30/2013	Closed	11/5: Mary provided the drawings to Joe and he sent them to Andrew to have them posted to the library website, which he did.	11/5/2013	
59	Perform reference checks for Abacus/Situ.	10/30/2013	Amy	11/5/2013	Closed	11/5: Amy performed the reference checks on Abacus/Situ and presented her findings to the full Committee at the 11/5 meeting.	11/5/2013

Send Building Committee contact information to Abacus/Situ.	11/20/2013	Kevin Don	12/11/2013 12/13/2013		12/11: Kevin spoke with Tim Aicardi who doesn't think that a variance is needed but needs to investigate further to be certain. Pre-existing buildings do not need the variance, but the change of use may change this. Kevin will follow up with Tim on this and update the Committee at the next meeting. 1/9: Kevin spoke to both Mendon's Building Commissioner, Tim Aicardi, and Milford's (John Errickson, whom Tim works for part-time) regarding the question of whether a zoning variance or special permit is needed in order to convert the former St. Michael's Church building into a new town-owned library building. Aicardi and Erickson reviewed Mendon's zoning by-laws together and told Kevin that a variance/special permit is not needed. 2/20/14 - Kevin received an update from Tim Aicardi (Mendon Building Inspector) that a variance is not needed. We have this in writing, so this item is now closed.	2/20/2014

Two other firms said the same thing. Mary has Millford Glass coming out to look as well. 4/8/2014 Mary stated that DVW will be visiting the church next week. They are currently retrofitting the windows at the Milford Town Hall. 4/22/14: Nothing new to report as Mary was not in attendance. 5/6/14: Mary had the final firm look at the windows and they confirmed that the windows will need to be replaced.	5/6/2014	
	Put together bid documents for the asbestos abatement work.	3/20/2014	Mary	6/17/2014		3/26/14: The asbestos abatement work will be part of the design scope. 5/22/14: Mary suggested getting bids for abatement work in order to possibly allow the Worcester County Sherriff's dept. to perform more demo work. 6/2/2014: Mary is working with UEC to put together documents for posting to the Central Register. 6/24/2014: Bid documents have been posted to the Central Register.	6/24/2014	
104	Put together a budget summary for review at all future meetings.	3/20/2014	Don/Joe	3/26/2014		3/26/2014: Mary and Paul have supplied example budget tracking documents for Joe and Don to use. They will have one for review a the April 8 meeting. 4/8/2014: Don shared a sample budget tracking sheet with the Committee and it was well revieved. Paul suggested adding a column on the summary page to specify the awarded amount for each budgeted item. Don agreed to do this. 4/22/2014: The budget will be reviewed at all future meetings.	4/22/2014	
105	Ask Abacus when a 30% review will be ready along with a cost estimate.	3/20/2014	Mary	3/26/2014	Closed	3/26/2014: The 30% review and cost estimate were being held up by the site plan and HVAC work. Now that those are being completed, Abacus should be able to close this item soon. They are prioritizing the HVAC and insulation work now, as it will be needed for the Green Communities Grant application. 4/8/2014: The 30% review and cost estimate are still awaiting the site plan to be completed. 4/22/2014: Abacus expects to have a review and cost estimate ready for our next meeting on May 6. 5/6/2014: 30% design and initial cost estimate was provided for our meeting on May 6. A detailed review will take place with the architect on May 12.	5/6/2014

However, she also mentioned that she also wants to pursue completing the police station and may want to tie the two funding requests together.	12/4/2014	
146	Contact Home Depot to inquire about getting materials at cost.	11/20/2014	Amy	12/4/2014	Closed	12/4/2014: Amy reported that an online application for donations is available but she also contacted the local branch in Bellingham and someone there suggested that we just submit a letter on library letterhead asking for materials to be donated. 12/16/2014: Amy asked what types of donations the Committee should request, and it was suggested that she ask about plumbing items like toilets, sinks, fixtures, and hand dryers, as well as pavers. Amy will follow back up with the local store and will plan a site visit to discuss donations. 1/6/15: Amy reported that the Home Depot does not give major donations but does offer the option to apply for a grant of up to \$5K. The application window opens up on February 1st. Amy will submit the application when it becomes available. 3/3/2015: Amy mentioned that Lowes is offering community grants up to \$25K. The grant window opens on March 30th. Home Depot offers \$5K grants. Amy will follow up on both. 3/17/2015: The Friends of the Taft Library will contact local businesses to solicit donations for the project. 8/6/2015: The Friends have not have not received nor qualified for any grants from local businesses. 152	Ask David Eisen to create a list of furniture that might be needed so members can potentially solicit donations.	12/4/2014	Mary	12/16/2014	Closed	12/16/2014: David will meet with a few members of the Committee to review current plans and discuss items that will be needed to support the new building. 2/12/2015: David, Paul P and Miks K met with Susan, Andrew and Paul on 1/21/2015 to review the library layout and furniture. The list of items needed will be pursued at a future date.	2/12/2015	
153	Obtain a quote for moving shelving to the rectory for storage until it can be installed.	12/4/2014	Mary	12/16/2014	Closed	12/16/2014: Mary and Andrew are still working with the Boston Public Library to obtain donated shelving that can be moved to the site for future use in the new building. 1/6/2015: Mary and Andrew are planning to visit the Boston Public Library on Wednesday, January 7th to inspect the donated shelving that can be moved to the site for future use in the new building. Kim Newman plans to make the visit with them along with a representative from the moving company. 2/12/2015: Shelving was obtained and moved to the former Mendon Fire Station for storage by Sterling Movers after approval by Mary and Moritz. The payment was authorized at the February 12th meeting.	3/3/2015	
154	Assist Andrew with understanding what types and quantity of PC's are available from the Regional School District and to obtain whatever makes sense for the existing and future library. He'll also inquire about what will happen with the PC's that aren't taken by the library.	12/4/2014	Don	12/16/2014	Closed	12/16/2014: Don reported that he hadn't made contact with the Regional School District yet but that he would do so and then report back at the next meeting. 1/6/2015: Don reported that he has made contact with the Regional School District and that the PC's become available at the end of the fiscal year (June 30th). At that time many PC's can be purchased for a nominal fee as they will have reached the end of their lease. He will provide more information as we approach the June date. 5/14/2015: Given that the school override failed, it's likely that the PC's will not become available. Will monitor what the School Committee decides to do next with regards to the 2016 budget and will then go from there. Will also check out the techsoup.org website for options, working with the Friends of the Taft Library. 7/2/2015: Don has been in contact with Jay Byer from the Regional School District and because the operational override failed in Mendon in May, new PC's could not be ordered so the availability of used PC's will be pushed one year. The committee will have to pursue other options for PC's or wait till June of 2016. This topic will be added to a future meeting agenda.	7/2/2015	
155	Send questions about cost estimate items to Mary ahead of the next meeting. She will also ask David to create a list of "add alternates" that can be pursued later if funding isn't available, and will ask if the Cost Estimator's changes can be tracked. We will discuss when David will be ready to go out to bid at the next meeting.	12/4/2014	Committee	12/16/2014	Closed	12/16/2014: The Committee brought their items to the meeting and reviewed them with David.	12/16/2014

						4/22/2015: Don reached out to the Town Administrator via email and is awaiting her reply. 5/14/2015: The Board of Selectmen will decide on how to proceed with the sale of the lights at their meeting on May 18.			
105	Follow up with the Town Administrator on the process that the Town wants to use to	0470045		4000045		7/2/2015: The contractor plans to remove the pendant lights on Wednesday, July 8th. Mary asked Don to follow up with the town to ensure that someone is available to take receipt of the pendant lights and to secure them for safe keeping. Kevin stated that he would be available in the morning on the 8th if his support is needed. 8/6/2015: The Town has advertised the lights starting in late July, and the bid opening for any responses is due August 27th. If there are no bidders, the Town will consign them with a shop in Boston. Kevin suggested putting a placeholder on the special town meeting warrant in November to allow for the Town to move any money received from the sale of the pendant lights over to the Library Building project. This item will be carried to our next meeting when we'll know more about the status of the sale of the lights. 9/1/2015: There were no bids received on the lights so they will be turned over to a consigner for possible sale.	40/7/2015
