

The elders chose Elli to be queen, but they chose wrong in this beautifully crafted novel in the tradition of Kristin Cashore and Victoria Aveyard.

Sixteen-year-old Elli was a small child when the Elders of Kupari chose her to succeed the Valtia, the queen who wields infinitely powerful ice and fire magic. Since then, Elli has lived in the temple, surrounded by luxury and tutored by priests, as she prepares for the day when the Valtia perishes and the magic finds a new home in her. Elli is destined to be the most powerful Valtia to ever rule.

But when the queen dies defending the kingdom from invading warriors, the magic doesn't enter Elli. It's nowhere to be found.

Disgraced, Elli flees to the outlands, the home of banished criminals—some who would love to see the temple burn with all its priests inside. As she finds her footing in this new world, Elli uncovers devastating new information about the Kupari magic, those who wield it, and the prophecy that foretold her destiny. Torn between the love she has for her people and

her growing loyalty to the banished, Elli struggles to understand the true role she was meant to play. But as war looms, she must align with the right side—before the kingdom and its magic are completely destroyed.

Coming January, 2017.....

Blood and victory. There is no other way.

The “fresh and fascinating magical world” (*School Library Journal*) of *The Impostor Queen* expands in this companion novel that answers the question: who is the real queen of the Kupari? Ansa has always been a fighter.

As a child, she fought the invaders who murdered her parents and snatched her as a raid prize. She fought for her place next to Thyra, the daughter of the Krigere Chieftain. She fought for her status as a warrior in her tribe: blood and victory are her way of life. But the day the Krigere cross the great lake and threaten the witch queen of the Kupari, everything changes.

Cursed by the queen with fire and ice, Ansa is forced to fight against an invisible enemy—the dark magic that has embedded itself deep in her bones. The more she tries to hide it, the more dangerous it becomes. And with the Krigere numbers decimated and the tribe under threat from the traitorous brother of the dead Chieftain, Ansa is torn between her loyalty to the Krigere, her love for Thyra, and her own survival instincts.

With her world in chaos and each side wanting to claim her for their own, only one thing is certain: unless Ansa can control the terrible magic inside her, everything she's fought for will be destroyed.

Sarah Fine is a licensed clinical psychologist and the author of several fantasy and urban fantasy books for teens, including *The Impostor Queen* series and the *Of Metal and Wishes* duology (McElderry/Simon & Schuster), as well as the *Guards of the Shadowlands* series (Skyscape/Amazon Publishing). She's also the co-author (with Walter Jury) of two YA sci-fi thrillers published by Putnam/Penguin: *Scan* and its sequel *Burn*. On the adult side, she is the author of the *Servants of Fate* series and the *Reliquary* series, urban fantasies published by 47North/Amazon.
