

Beginning Bridges CFCE &  
Brain Fit Academy Present  
A PARENTING WORKSHOP:

## Developing the Brain from the Bottom Up!

- Do you wonder about your child's behavior and learning?
- Does your child exhibit fear & anxiety?
- Does your child lack focus?

Please join **Christina Schlupf**, Licensed MA Educator & Developmental Specialist to learn:

- ✓ What primitive reflexes are and how they affect **early childhood struggles**.
- ✓ How to observe movement patterns and behaviors in children to identify when crucial primitive reflexes are not fully integrated.
- ✓ Learn movement-based activities that **can be used immediately** for yourself and your children to promote physical & emotional development and learning.

Date: **Thursday, January 18, 2018**

Time: **7 – 8 pm with Q & A from 8 - 8:30 pm**

Location: **Taft Public Library, 29 North Ave., Mendon, MA**

Along with her business partner Pam Formosa, Christina co-owns Brain Fit Academy, Inc., working with children and families who struggle with learning and emotional challenges.

**To register contact Emily at 508-278-5110 or**  
**[Emurray@smoc.org](mailto:Emurray@smoc.org)**

Funded in part by a Coordinated Family & Community Engagement (CFCE) Grant through the MA Dept. of Early Education & Care (EEC) and sponsored by South Middlesex Opportunity Council (SMOC)
